Dear Dave

I wish to thank you and your terrific band members from "On The Level" for your gig at my recent 50th birthday party.

You had nearly all 150 of my guests up on the dance floor most of the night, even in such hot conditions. I for one lost a couple of kilos I reckon.

My guests absolutely loved your repertoire. The number of songs you guys belted out was amazing. I'd have no hesitation in recommending you and the guys to anyone.

Thanks again for making the night a great success.

Cheers
