

## **To whom it may concern**

ON THE LEVEL gave a fantastic series of shows at last year's Bridgetown Blues Festival 2007 and at the Bridgetown Blues Festival in 2006.

They were invited back to the Festival because of the caliber of their performances.

ON THE LEVEL provided the Blues at Bridgetown Festival with an entertaining stage show that is very professional and versatile. They have great stage presence and are very popular with the crowds!

On The Level was the perfect choice of entertainment for our Festival and we would recommend them for any other Festival and also for the Hotel Venues.
