**RE: Reference for “On The Level”**

Dear Sir/Madam,

I am pleased to provide a reference for local talent Dave Gillam & his band “On The Level”.

I have listened to this band on a number of occasions and am impressed with their performance, sound and audience engagement, esp during the 2007 Blues at Bridgetown weekend!

I am more than happy to be contacted to provide further reference for this great band.

Your Sincerely

Phil Smeeton
