TO WHOM IT MAY CONCERN

Dave Gillam has been a volunteer and Committee member of the Perth Blues Club since 2004.

He has a keen interest in music, particularly blues, and is a talented songwriter.

In February 2004 he attended a three-month music workshop run by the Club president Rick Steele. There he met a number of other musicians and formed the band On the Level. Through his stewardship the band has established itself as a professional and creative blues rock outfit with a dedicated fan base that regularly plays in Perth and country areas.

Dave Gillam is an honest, reliable, creative, dedicated and hard-working musician and songwriter. I wish Dave, and his band, every success in their future musical endeavours.

Yours sincerely
